Cathy Phillips Brady

Voice Artist

BIOGRAPHY

Cathy Phillips Brady is an expressive British female voice talent with over 15 years professional performing experience as a voice over artist and singer, including in television, radio, sessions and in the theatre.

With experience in commercial and promotional voice overs, explainers, e-learning, audio guides and voice of God, her sound has been described as a 'rounded rich chocolate tone' and performance career allows for a wealth of experience working for clients and directors to achieve their project goals. Whether you're looking for a youthful and upbeat or smooth and sultry sound, Cathy delivers with warmth and reassurance.

Cathy has experience on the other side of the microphone as a producer and event manager, for clients including BBC radio, recorded and live broadcast, Channel 4, Sky Arts, Folded Wing, Radio Earn; as a qualified teacher and facilitator.
